2006 Capital Projects

The City Council recently approved a list of capital projects for 2006. The list of projects includes the following:

- The front office in City hall will be painted later this year. Staff will do the work to help save money on the project.
- In July of this year crews will be doing a chip seal project. \$18,000 has been budgeted for this project. The number of streets will be determined in June when the price of oil and rock can be determined.
- In the next 60 to 90 days the City will work with the Recreation Commission to submit a grant proposal to the Jones Foundation to make some additional improvements to the in-fields, warning tracks and bleachers.
- Upgrade the electrical lines and poles along 181st Street from the highway to the end of the line.
- The Phase 1 water project is well under way and is scheduled for completion in late September.
- A section of the gas supply line running through Osage City will be replaced in the near future to repair leaks in the line.
- Clean out a section of the south storm ditch to improve maintenance and water flow in the southern sections of the City.

Public Meetings

City staff will begin holding quarterly public meetings to help keep the public informed on what is happening in Burlingame.

The first meeting will be on May 22nd at 7:00pm. Staff will cover the budgeting process and some of the items covered in the 2006 and 2007 budget.

Staff is also interested in public input on projects that the public would like to see the City complete over the next five to ten years.

These meetings will be held every three months and will cover different topics. After staff covers the scheduled topic they will be available to

answer any questions asked by the public.

We encourage everyone to attend these meetings to become more informed and involved in the community and help us make Burlingame a better place to live, work, and play. We hope to see you there.

2006 Priorities

The City Council recently approved a list of priorities for the City in 2006. Staff has put together a plan for most of the items. Visit our web site at www.burlingameks.gov and look under the City Council page to see a full list of the priorities and the plan developed by staff.

There will also be quarterly updates posted to the web site to help keep everyone up to date on the progress made on each priority.

The priority list is shown below:

1. Grocery store;
 2. Promote commercial growth;
 3. Promote residential

growth;

ment;

4. Rehabilitate or rebuild buildings in the downtown area;
 5. Create 5 year plans for each department;
 6. Plan for sidewalk repairs and expansion;
 7. Clean-up properties around town;
 8. Do a better job of marketing community college;
 9. Update zoning code to include subdivision regulations;
 10. Create capital improvement program;
 11. Develop better plan for investing idle funds;
 12. Acquire land for development;
 13. Development of railroad property;
 14. Improve existing roads;
 15. Create vehicle replacement schedule;
 16. Develop better cooperation with school;
 17. Master plan for Jones Park/Swimming Pool;
 18. Pursue KDOT grant for highway project;
 19. Recycling program;
 20. Composting program;
 21. Review and codify city code;
 22. Update comprehensive plan;
 23. Noise ordinance.
